Dear Sir/Madam

On behalf of Forum Global, APT and ITU we are pleased to invite you to participate in the **4th Annual Asia-Pacific Spectrum Management Conference, supporting ITU Asia-Pacific Regional Initiative on Spectrum**. The event will take place at the Bangkok Marriott Sukhumvit, on July 17-19.

The conference is taking place as part of the Global Spectrum Series, the world's largest collection of regional spectrum events. It will provide a high level meeting point for stakeholders across Asia-Pacific and beyond to discuss topic issues relating to the management and coordination of spectrum policy across the region.

The conference will include sessions on the following topics:

- Spectrum for 4G – ensuring the required bandwidth is made available in a timely and efficient manner
- Spectrum for IoT and Industry 4.0
- Meeting the 5G spectrum requirements of today and of the future
- Ensuring the success of WRC-19 – regional plans and preparations
- Spectrum auctions and pricing – tools and techniques to ensure a successful outcome
- Delivering the digital economy – A focus on national connectivity plans.

For more information on the conference, including practical information, the agenda, confirmed speakers, and online registration, please visit www.spectrummanagement.asia

The activities and discussions of the conference support the ITU's global development objectives of Modern and secure telecommunication/ICT infrastructure set during WTDC-17. In-line with expected outcomes of ITU Asia-Pacific regional initiative 3 (ASP3), the conference also aims in assisting participants in more efficient national spectrum-management through discussion on harmonized approaches to spectrum allocation and the preparations for WRC-19.

In order to assist participation from ITU member states, fellowships are also available to eligible countries, the details of which are available at: www.itu.int/go/asmc-18.

Should you require any further information please contact Lula Howard, Event Manager, Forum Global (lula.howard@forum-global.com / 44 (0) 2920 783 026)

We look forward to you joining us and providing a valuable contribution to what promises to be another highly interesting and stimulating event.

Yours sincerely,
