5G HUDDLE 2016

Making the Vision a Reality

26&27 APRIL 2016 / London . UK

About the WWRF 5GHuddle

On 26 & 27 April 2016 in London, UK, the [Wireless World Research Forum \(WWRF\)](#) will host 'The 5G Huddle - Making the Vision a Reality', 2 days of interactive discussion and debate.

Building on last year's look at delivering a sustainable 5G Ecosystem, this year's event will focus in what needs to be done to make the 5G vision a reality.

It will offer a platform to assess the outcomes of WRC-15 and the candidate bands that have been identified for 5G, as well as looking forward at the challenges that lay ahead as we move towards wide-scale rollout by 2020. It will also focus on a number of vertical markets and on the potential 5G can offer, and will look to provide a glimpse of the potential of the 5G future.

Sponsorship of the WWRF 5GHuddle
