## About the WWRF/techUK 5GHuddle

On September 22nd-23rd 2014 in London, UK, the [Wireless World Research Forum \(WWRF\)](#) in conjunction with [techUK](#) will host 'The 5G Huddle - Towards a global 5G vision', 1 ½ days of interactive discussion aimed at bringing together senior industry and Government leaders from Europe, North America, Asia and the rest of the World.

As we begin the process across the world of defining what constitutes 5G, this event will develop the international discourse on what 5G should be – from technologies and networks to applications, markets and business models. We will also build on our collective experiences to focus on the approaches on standardisation of 5G, with the aim of its availability from 2020.

### Sponsorship of the WWRF/techUK 5GHuddle

Whatever your budget, and your requirements, sponsoring this event is a cost effective, hassle-free means to successfully promote your activities in the field of 5G. We can offer you a wide range of packages ranging from the high level platinum package, which offers maximum exposure for your company both leading up to and during the event and includes an exclusive speaking position for a company representative; down to lower cost product branding opportunities, which are designed to compliment or act individually in support of your marketing strategy.

Further details on the sponsorship opportunities available at this event can be found on the following pages. For more information on the packages and to discuss your sponsorship requirements, please contact [Charlene Selmer](#) (at our event partner Forum Europe) on [charlene.selmer@forum-europe.com](mailto:charlene.selmer@forum-europe.com) / +44 (0) 2920783 024.
