The 2nd Annual Latin America **Spectrum Management Conference**

October 20 - 21, 2015 / Rio de Janeiro, Brazil

About the Event

The Latin America Spectrum Management Conference offers an unrivalled opportunity to join the top experts from across Latin America and beyond for discussions on all the key spectrum management issues for the region in an interactive environment.

Now in its 2nd year, it is already becoming established as a major meeting point for stakeholders from the LATAM, Caribbean and global spectrum communities.

And along with the other regional spectrum conferences that form the Global Spectrum Series (www.spectrum-series.com), this does not simply offer a stand alone, one off marketing opportunity, but provides the chance to become involved on a regular basis in a pivotal and talked about industry event.

Should you be interested in also exploring involvement in our Spectrum Management Conferences in any of the following regions: **Europe, The Americas, Middle East & North Africa, Sub-Sahara, Asia Pacific**, then please contact Dan Craft, using the details at the bottom of the page, and we would be delighted to put a package together.

\$1,500

- Form strategic alliances with other companies

Stands are prominently situated in the foyer area outside the conference room. All delegates will pass through this area on approach to the conference room. As part of the exhibitor's package, you will receive:

- A unique exhibition space of 2.5m x 3m, including a display table
- Admittance to the exhibition area for one representative to act as a host/hostess on the stand

Exhibition details:

All stand areas are sized at 2.5m x 3m and the ceiling height in the room is 3.5m. The exhibition will be of a table top nature, not enclosed by a shell scheme.

Exhibitors may bring their own display stands but these must not extend beyond the area that has been reserved. All spaces have a display table sized approximately 1.8m x 1m included in the price.

Exhibitors are invited to prepare their stand between 14.00 and 17.00 the day before the conference.
