8. Currency

National currency unit in the Republic of Kazakhstan is Kazakhstan tenge (KZT). Credit cards are accepted in banks, huge hotels, some tourist agencies, and shops. Information of the exchange rate can be provided by banks or currency exchange offices. All payments are effected in the national currency. There are currency exchange offices in all cities.

As of 23 July 2018, KZT exchange rate was as following:

1 USD = 345,54 KZT

1 EUR = 404,59 KZT

Information on current exchange rate of Kazakhstan tenge against other currencies is available at the web site of the National Bank of the Republic of Kazakhstan: <http://www.nationalbank.kz> .

Banks are open from 09:00 to 18:00 from Monday to Friday. Currency exchange is carried out by all banks and exchange offices. Credit cards are accepted in all banks, large hotels, some touristic agencies and shops.

9. Climate

The climate of Almaty is continental, with hot summers and cold winters, which is characterized by the influence of mountain-valley circulation. This is especially evident in the northern part of the city, located directly in the transition zone of the mountain slopes to the plains. Average daily air temperature in September is equal to +19°C, average night temperature is +10°C.

10. Time

Time in the Republic of Kazakhstan is 6 hours ahead of Greenwich Mean Time (GMT+6).

11. Electricity

The standard supply is 220 V, 50 Hz.

12. Communication means

The event participants will be provided with Wi-Fi internet access in the event venue. Telephone code for Almaty is +727.

For international calls from Almaty, one should dial +, then code of the country, then code of the city or follow the instructions on telephone card.

13. Visa

Information of the requirements for entry the territory of the Republic of Kazakhstan is available at the website of the Ministry of Foreign Affairs: <http://mfa.gov.kz/ru/visa/index> .

Those participants who need entry visa for the Republic of Kazakhstan are recommended to contact consulate of the Republic of Kazakhstan in their country in due time to receive information on visa requirements.

For visa support, participants are kindly requested to fill out the Visa Support Form (Annex 4) and send it, along with copy of the passport to Ms. Zulfia Khudaybergenova (email: z.khudaybergenova@mic.gov.kz) by **20 August 2018**.

14. General information

In the Middle Ages, at the territory of today's **Almaty**, or **Alma-Ata** in Russian (till 1921 – **Verny**) there was a settlement of Almatu. Currently Almaty is the largest city of Kazakhstan with a population of 1,703,481 people, containing 9% of the country's total population. It served as capital of the Kazakh Autonomous Soviet Socialist Republic and Kazakh Soviet Socialist Republic from 1927 to 1991 and capital of the Republic of Kazakhstan from 1991 to 1997. In spite of losing the status of political and administrative capital, Almaty continues as the major commercial and cultural centre of Kazakhstan, as well as its biggest population center. The city is located in the mountainous area of southern Kazakhstan in the foothills of the Trans-Ili Alatau at an elevation of 700–900 m (2,300–3,000 feet), where the Large and Small Almatinka rivers run into the plain. It has a relatively mild climate with warm summers and quite cold winters. Since the city is in a tectonically active area, it has an endemic risk of earthquakes. Although most do not cause any significant damage, Almaty has suffered some large destructive earthquakes. In 1997 the capital was moved to Astana in the north-central part of the country. Since then Almaty has been referred to as the 'southern capital' of Kazakhstan.
